Memorial Flag Presented at Lomita School

A flag that draped the bier of the late Herman Forsythe, Lomita Spanish-American and World War veteran, was given a new duty yesterday morning when it was raised to the top of the new Lomita Elementary school flag-pole during impressive dedication ceremonies led by the uniformed Auxiliary of the Veterans of Foreign Wars post in Lomita.

The brief program was conducted on the school steps in the presence of all 430 children attending the school, their teachers, a few parents and the members of the Auxiliary. On behalf of Mrs. Forsythe, Grace Greene, chairman of Americanism for the Auxiliary, presented the flag to the school after "Stars and Stripes Forever" was played by Edna Kelley, Auxiliary pianist.

Miss Harriett Michaels, principal of the school, accepted the gift and the flag was hoisted by three boy-students, Jerome Rapaport, James Richardson and Billy Bailey. All present then gave the pledge of allegiance to the flag and a short history of the national emblem was given by Ruth Hathaway, Grace Stahnke, patriotic instructor for the Unit, read the rules governing the use of the flag and Mary Winn and "Babe" Johnson presented two patriotic readings. The ceremony was closed with the singing of the national anthem.
